RESTORE LAKE ONTARIO AND THE ST LAWRENCE RIVER

I support Citizens Campaign for the Environment (CCE) in its efforts to restore the health of the Lake Ontario and St. Lawrence River ecosystem.

I urge the International Joint Commission to restore more natural flows to Lake Ontario and the St. Lawrence River by adopting "Plan 2014." Plan 2014 provides a balanced approach that will:

- Restore critical habitat and reestablish dwindling populations of threatened mammal, bird, and fish species;
- Enhance hydropower production; and
- Benefit recreational boating and commercial shipping.
