L/EUR 611.4232-LO/2-2355

March 11, 1955

Dear Mr. Jordan:

The receipt is acknowledged of your letter dated February 23, 1955, setting forth a proposed series of actions to be taken by the Commission with a view to reaching an agreement and putting into effect a supplement to the Commission's Order of Approval of October 29, 1952 as the basis for a modified method of regulation of the levels of Lake Ontario and the determination of a minimum profile for the St. Lawrence River.

I have been advised that the procedure outlined in paragraphs numbered (1) to (4) inclusive, of your letter is satisfactory to the interested agencies of the Government of the United States.

Sincerely yours,

For the Secretary of State:

(signed) Herman Phleger
